

# The Future of Stephen Avenue Public Space / Public Life Survey

## Do you want to help shape the future of Stephen Avenue? Volunteer to help Gehl and Urban Strategy survey public life

### We need your help!

Gehl and Urban Strategy are conducting a public space / public life survey on Stephen Avenue. This is a great way to learn about Gehl's approach to urban planning and design, and participate in **The Future of Stephen Avenue**.

### Purpose of the survey

The City of Calgary is rethinking Stephen Avenue, with the intent of enhancing our city's most iconic street from Olympic Plaza to Mewata Armoury (11 Street S.W.). The survey will help build a baseline and accurate picture of Stephen Avenue's public life and will provide critical information for the future redesign.
